A study called "Proof By Underpants" is ^{進行中} underway in Switzerland, where researchers are sending thousands of pairs of white ^綿 cotton underwear to volunteers, who will ^{埋める} bury them in their gardens. Actually, it's the ^{最新の} latest way to ^{測る} measure (1).

Researchers will later (2) ^{後に} up the buried underwear and ^{調べる} examine them. They'll look at the ^{程度} extent to which ^{小さな} tiny ^{生き物} creatures in the earth have ^{浸食する} eaten away at the ^布 cloth. The bigger the hole, the better.

“Our test pants are made from 100% ^{有機の}organic cotton,” says a scientist of the project. “This ^{物質}substance can ^{役立つ}serve as a ^{食料源}food source for various tiny creatures in the soil. They eat the underpants. The more active tiny creatures live in the soil, (3) the underpants will be eaten up.”

Haruki Murakami is a Japanese writer whose books, including *Kafka On The Shore*, *The Wind-Up Bird Chronicle*, and *A Wild Sheep Chase*, have sold millions of ^{冊、部}copies worldwide. However, he was not always a best-selling author. In the first few years of his writing ^{経歴}career, his work would only be read and admired ^{賞賛され}within Japan. It wasn't until he wrote the novel *Norwegian Wood* that the world came to know of his ^{才能}genius. This wasn't a ^{戦略}strategy. It just happened. However, there is a part of his life that is ^{徹底的に、完全に}thoroughly planned.

7 According to the passage, Haruki Murakami became famous abroad ().

1. as part of his childhood plan
2. at the start of his writing career
3. before he was well known in Japan

Two friends are talking.

Gloria: What are you reading?

Javier: It's a book of amazing world records. It has records like “the fastest time to eat a
30 cm pizza: 32.28 seconds.”

Gloria: Wow! That's (a).

Javier: Yeah, you'd have to swallow it whole. Anyway, I was reading this and thinking —
hey, maybe there's a record that I can break.
