★On demand: Reflection on your learning

Online video lectures will help you learn how to reflect on your learning over the semester. You will learn how to discuss what you learned, how you plan to use these skills, and how to organize and present your ideas.

Video lectures will be available for a week after the last face-to-face class (Week 14) on Teams.

Video 1 (about 5 minutes): How to discuss what you have learned to do and how you plan to use these skills

Video 2 (about 5 minutes): How to organize and how to present your ideas

After watching the videos, record a video in which you explain what you have learned and how you plan to use these skills. Then submit the video on Teams within a week after the final face-to-face class.

The video should be between 1.5-2 minutes long. The total amount of time to complete this assignment is 90 minutes.
